

GCSE OCR Maths Long Term Plan

Year 10	Collecting, Organising, Presenting and Analysing Data	Accuracy and Rounding	Geometric constructions and calculations	Solving of Equations	Indices and Standard Form	Compound Units
	Primes, Factors and Multiples	Mensuration	Direct and Inverse Proportion	Fractions and Decimals	Exact Calculations	2D and 3D Representations
	Algebraic Manipulation	Proofs and Formulae	Percentage Change	Bivariate Data	Equations and Inequalities	-
Year 11	Geometric Review	Sequences	Transformations	Functions and Graphs		
	Probability	Graphs	Similar Figures	Vectors
