

## The Pines School Song

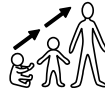

We

have

all

ages

here.

We

learn

to get along.

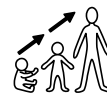

Together

we

can

grow,

And

join

to

sing

this

song!

We're

coming to

communicate.

The differences,

we

celebrate.

We

are so

grateful

to be at The...

Pines! The Pines!

We

learn

and

we

feel safe.

The Pines! The Pines!

Inspire to create.

And when

we

see

achievements,

We

join

to

celebrate.

To every

student

at the

Pines:

Make a great

day.

Ready to succeed,

We have everything we need.

We nurture and embrace Individuality!

We're coming to communicate.

The differences, we celebrate.

We are so grateful to be at The

Pines!

The

Pines!

We

learn

and

we

feel safe.

The Pines!

The

Pines!

Inspire

to

create.

And when

we

see

achievements,

We

join

to

celebrate.

To every

student

at the

Pines:

Make a

great

day.

Pines!

The

Pines!

We

learn

and

we

feel safe.

The Pines

Special School

—

Unique

like

a jewel.

Come

see

and

you'll

discover

why

We

love

the

Pines!

Pines!

The

Pines!

We

learn

and

we

feel safe.

The Pines!

The

Pines!

Inspire

to

create.

And when

we

see

achievements,

We

join

to

celebrate.

To every

student

at the

Pines:

Make a

great

day.
