Lunchtime

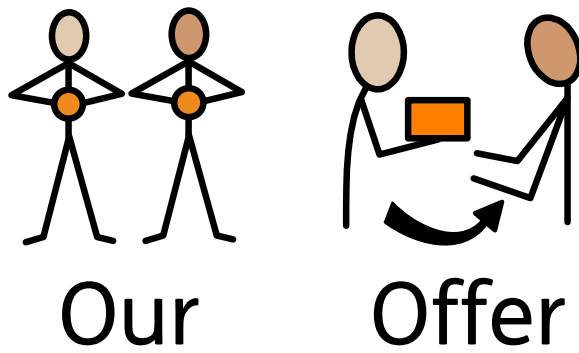

Clubs

Summer

Term

Our lunchtime clubs offer activities outside the curriculum for students to develop skills, broaden their experiences in their personal areas of interest and socialise with friends whilst having fun.

Our lunchtime club offering starts in Key Stage 1 and runs through into Key Stage 4.

Each term the students get to choose which club(s) they would like to attend and commit to this for the term.

Pupil Voice is used at the end of each term to determine which clubs will run the following term.

Alongside our Lunchtime Clubs we also offer outdoor games for our children who want to remain in the playground. We also have a variety of resources such as scooters, bikes and balls, outdoor gym equipment, trim trail and reading sheds for the children to enjoy during their outdoor playground time.

Primary

Forest

School

Club

Focus: Forest School lunch time club gives pupils chance to learn through child led play in a natural environment. Pupils are able to access the Forest during their lunch break using the various resources within the forest including the Hammocks, Mud Kitchen, Digging pit and swings.

# Art

# Club

Focus: Art club allows our pupils to get creative. In Art club pupils can choose from a variety of Art activities such as colouring, painting, collaging and drawing. Art club is pupil led to allow pupils to be as creative as they want.

# Sports Club

Focus: Pupils will learn the rules of different sports and will have a try at different types of sports. Pupils will learn how to work as a team and how to be persistent and adaptive.

# iPad

# Club

Focus: iPad club offers the opportunity for pupils to build their skills. By using an iPad, pupils can learn typing, multi-touch navigation, problem-solving (with puzzles and games) and many other skills. It is fun and engaging and a firm favourite of our pupils.

# Movie

# Club

Focus: In Movie Club we start off the term by voting for the films we would like to watch.

The most popular film will be the film we watch together.

# Sensory Club

Focus: Sensory room club offers a therapeutic space for pupils as an alternative to the busyness of the playground. Choices of equipment are used to encourage pupils to use a variety of physical, cognitive and communication skills. The calm environment of the sensory room provides pupils with a safe space to encourage them to express themselves and their sensory differences.

# Disco

# Club

Focus: Disco clubs offers the opportunity for our pupils to dance to their favourite songs. In Disco club we learn turn taking and good waiting. Great fun is had by all whilst moving to different styles of music with our friends.

Secondary

# iPad

# Club

Focus: iPad club offers the opportunity for pupils to build their skills. By using an iPad, pupils can learn typing, multi-touch navigation, problem-solving (with puzzles and games) and many other skills. It is fun and engaging and a firm favourite of our pupils.

# Puzzle

# Club

Focus: puzzle club gives our pupils an opportunity to complete puzzles that they wouldn't get to complete as part of their learning in the curriculum. Puzzle club allows our pupils to enjoy some quiet time away from the business of the playground.

Forest

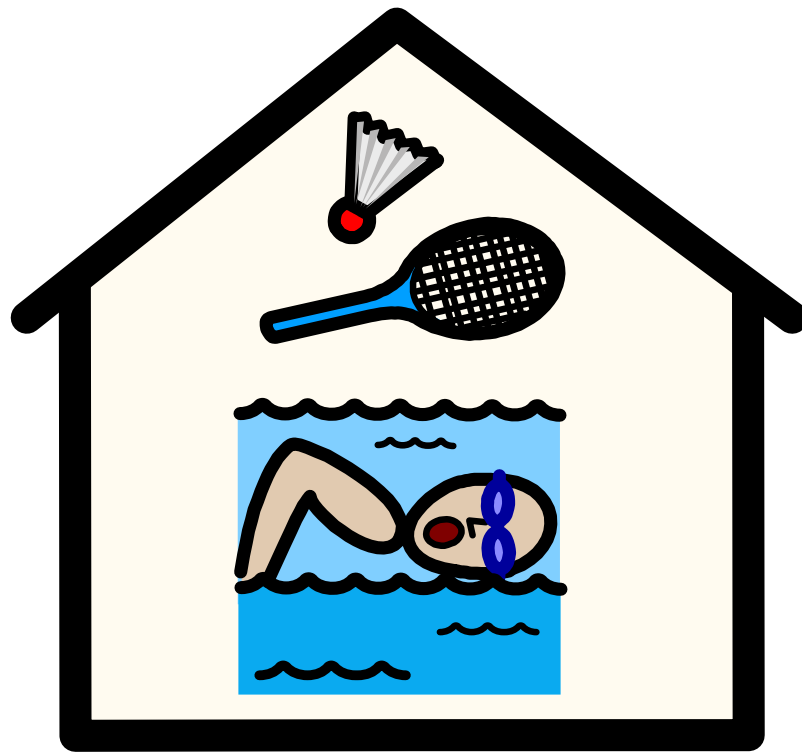

School

Club

Focus: Forest School lunch time club gives pupils chance to learn through child led play in a natural environment. Pupils are able to access the Forest during their lunch break using the various resources within the forest including the Hammocks, Mud Kitchen, Digging pit and swings.

# Sports Club

Focus: Pupils will learn the rules of different sports and will have a try at different types of sports. Pupils will learn how to work as a team and how to be persistent and adaptive.

# Movie

# Club

Focus: In Cinema Club we start off the term by voting for the films we would like to watch. The most popular film will be the film we watch together.

# Computing Club

Focus: In computing club pupils are given the opportunity to use the computers in our ICT Suite to play games, create documents or watch videos. This allows our pupils to extend their computer skills in a fun and exciting way.

# Nail

# Club

Focus: In nail club our pupils will learn the art of painting nails. They will get the opportunity to practise painting nails on others and maybe adding some decoration.
