

Moving On

After Year 11

In Year 11 you will leave the Pines School

to go somewhere new.

At the start of Year 11 you will need to

choose with your parents / carers where

you would like to go.

My Options

 You could go to a 6th Form School or you could go to

 a College. There are lots of choices of places to go.

 You will have lessons like at The Pines like English

 and maths. You might have other lessons like

 gardening, going out in the community and learning

 life skills.

Making Choices

Options

These are some of the places that

people who left The Pines went to.

Queensbury - New Horizons
